

GETTING STARTED

- Explore this page to see all the available Flow Chart Blocks and example charts to give you inspiration.
- 2. Play with the example flow charts.
- 3. Once you're ready to create your own, click the pages in the top left and select 2. Build Your Own

ADVANCED TIPS AND TRICKS

- There are 4 cap types (arrow, small arrow, dot, small dot). Select inside a block instance to change the cap type.
- 2. Blocks are scalable and editable. Try changing the color and font size.
- 3. Need a simple line? Try using the Pen tool to create your own vector lines.
